Greetings from Sugarloaf!

October 2026

As autumn's brilliant colors give way to the first snowflakes of winter, we look ahead to another exciting season at Sugarloaf—and **the Sugarloaf Charity Summit, January 22–24, 2027!** This special weekend brings Sugarloafers, old and new, together in support of three outstanding organizations working to improve the lives of people affected by cancer. Your continued sponsorship makes a meaningful difference both close to home and across the state of Maine. We invite you to **join us as a valued sponsor** and be part of **a tradition** built on generosity, community, and compassion.

Together, we can make a real difference through the important work of these Charity Summit beneficiaries. **MaineHealth Franklin Hospital's Martha B. Webber Breast Care Center** provides timely access to state-of-the-art 3D mammography, diagnostic services, and comprehensive breast care support. **The Dempsey Center** specializes in providing free cancer programs, counseling, and support for individuals, caretakers, and families impacted by cancer. **Maine Cancer Foundation** invests in programs across Maine that advance cancer prevention, increase early detection and screening, and improve access to care for all Maine people.

Join us for an unforgettable weekend filled with great skiing, fun events, and meaningful impact that includes Friday's **Widowmaker Welcome**, Saturday's **Charity Challenge** on the slopes, all-day **Raffle for a Cure** and **Charity Summit Gala** with **Live Auction** followed by a live-band **After-Party!**

Take a look at our **2027 Sponsorship opportunities** and find the perfect way to be part of this special weekend, both on and off the slopes. We can't wait to see you at Sugarloaf!
